

FTF x FC Laval Summer Showcase

Our Academy went to Laval 3 years ago and it was an amazing trip, good teams, good fields and now with FTF on board they will get the best teams, and you all who were on that trip remember how fun that was and the good food and restaurants in the area. All games will be videotaped and sent to 2000 Coaches and they do a good job to get a number of coaches in attendance.

We will travel by Coach Bus and more details to follow; I just must register the Team for the tournament and also put a downpayment on Bus and Hotel.

Looking forward to a great trip to Montreal
