

Rocco Li Trenta Signs and commits to Wheeling University

Today is a great day for our soccer academy, I am happy to announce that our academy player Rocco Litrenta has made a commitment to study and to earn a business degree at Wheeling University, where Rocco will play for the Cardinals under the leadership of coach Brandon Regan. Wheeling University has a prestigious academic reputation and is West Virginia #1 Catholic University! Rooted in Catholic values and supported by a Jesuit community.

Rocco has earned this scholarship thru hard work and dedication both on the soccer field with the academy and off the field with his academics. He has only been with us a short time however he has lit it up with our program and bought into what we try to do for our players, and he excelled. Rocco is a very good player and has great pace and good passer of the ball and the flair and passion and love of the game to succeed at the highest level. Rocco will compete with his Team in the Mountain East conference of NCAA Division II., a very good conference and in September their first game is against Charleston University, one of the best NCAA DII in the USA.

I would like to congratulate Rocco and his Family, his Mom and Dad and Grandparents, who have been with him every step of the way. On behalf of all of us at Winstars Soccer Academy, we wish Rocco all the best as he enters the next chapter of his life with his studies and his soccer.

Sincerely, Bobby Graham – Academy Director

CONGRATULATIONS ROCCO - WE ARE ALL VERY PROUD OF YOU
