

WINSTARS SOCCER ACADEMY - UPDATE TUESDAY MAY 30TH

Good afternoon, it was a good weekend, we were close and the team that we tied in the first game won the showcase tournament. Much work to do for those who are willing to put in the hard work to make it happen.

Seeing the Big Picture

As I discussed in our Team meeting, our plan is the right plan for the serious student athletes/soccer players, it has been proven for many years as the most successful program for helping aspiring players get to the next level.

When our plan wanted to take players to Georgetown and Georgetown University, was to have players and parents see one of the best Universities in the World, more important, inspire our players so they see what top Universities are like so they will work harder on the field and in the classroom.

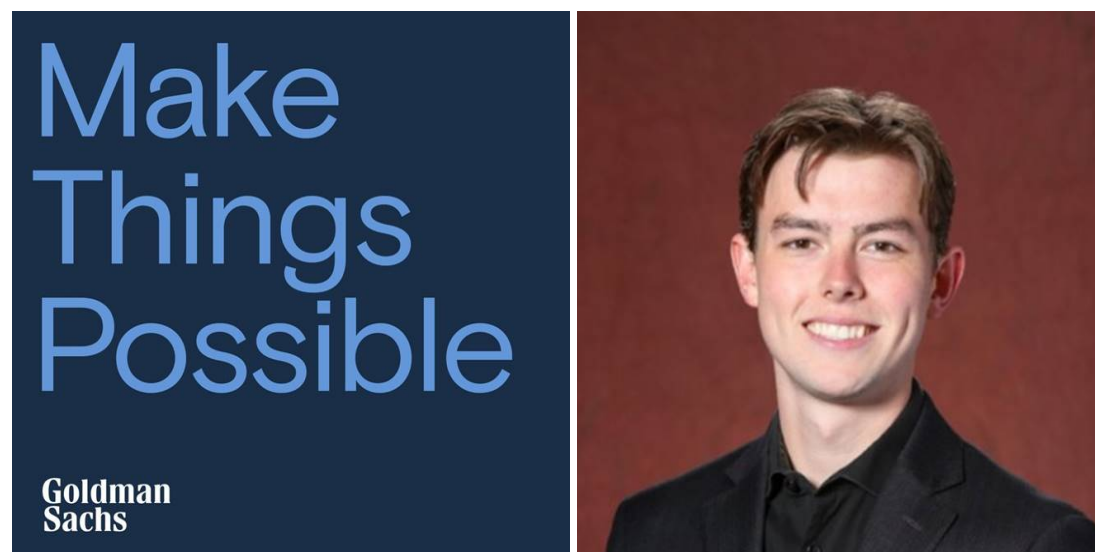

Our Schedule this week:

Thursday June 1 Training at 9pm at Sonoma Turf – Grey tops/Blue Shorts

Saturday June 3 Training at 1pm-3pm at Sonoma Turf – All Black

Sunday June 4 Training at 1pm – 3pm at Sonoma Turf – All White

**** Put on your Schedule – Monday June 19 we will play Milton Magic SC at Lions Park in Milton at 8:30pm

Ben Williams represents what the Big Picture is at our Soccer Academy

Our Academy Alumni Ben Williams graduated summa cum laude from Babson College with a master's degree in finance (MSF). Ben has accepted an offer at Goldman Sachs as an Off-Cycle Analyst in the Global Investment Research division in London, England, Great Britain. All of us at Winstars Soccer Academy are very proud of Ben, he is a leader, role model for our aspiring future academy players. Goldman Sachs is the World's most exceptional financial institution. We wish Ben the very best as he enters the next chapter of his life.

Babson College is the global leader in entrepreneurship education, ranked for having the No. 1 undergraduate school and MBA for entrepreneurship.
