ABOUT THE SAT: The Scholastic Aptitude Test (SAT) is a standardized test required for admission to all U.S. colleges and universities. The SAT evaluates the student's knowledge in the areas of writing, critical reading and mathematics. The SAT helps universities compare students from different parts of the country and the world with one standardized measure. In addition to the student's school marks, extra-curricular activities and admissions essay, SAT results play a crucial role in the admissions process. For athletes, the higher the SAT score, the better the academic grant money one can receive and therefore, less is required in athletic grants and from the family.

Here is the website for all information regarding the SAT: <https://www.collegeboard.org/>

Here is the link for test information and registration: <https://satsuite.collegeboard.org/sat>

STUDENTS WILL:

- * Learn important study techniques and concepts for all sections of the SAT.
- * Learn general study and test preparation skills, in addition to important test-taking skills.
- * Do many practice questions and be provided with ongoing evaluation and feedback.
- * Do timed test sections in the areas of critical reading, writing and mathematics.
- * Learn how to read and write well and be better at math.

ABOUT THE INSTRUCTOR - Danny Sankar:

- * 25+ years of experience as SAT and High School Mathematics Instructor
- * B.A. (Psychology), M.A. (Sports Psychology), M.Ed. (Counselling Psychology)
- * NCAA Division 1 Player with Dartmouth College, 2 Ivy Championships, All-Ivy, All-American (1990)
- * Played soccer at many levels for many years / Coached youth soccer and sports for many years

Danny played for Coach Bobby in 1984 and was my Captain, he went on to play at Dartmouth College – IVY League and his brother Levy went on to Yale. I highly recommend Dan with SAT Test Prep. Most Universities are using the SAT scores for entry to NCAA programs.
