

Living the Dream with our Soccer Academy Summer Tour August 20 to August 26, 2024

One of the best things we do in our soccer academy is our summer tour, have been doing this since I started coaching and with my professional connections throughout and the NCAA and our highly regarded reputation.

For our players and families to visit Universities, meet Coaches, and get tours as well as play many games against top University programs. This year tour, three University Programs have players on the team that we scouted on our tours, and we will see them when we visit. Our boys at St. Lawrence have just graduated and has moved on with his career.

It is all inclusive, Coach Bus, All Hotel costs – 2 per room and all food included as well as costs involved with looking after players for the week, Gatorade, Water and Healthy snacks, all throughout the week. We will video all our matches and send them out to all college coaches to promote our players and add on Sports Recruits as well provide each Player with video.

I highly recommend at least one parent come on the tour, Parents are welcome on the Bus, or you can go on your own and be part of everything we do and eat with us and stay at the same hotel with us. We do get good rates at good hotels where we stay.

I am sure you know; Hotel costs and food costs have risen, and cost of coach bus daily charge has doubled. We have managed to keep our costs reasonable.
