

# Summer Tour August 18 to 25, 2025

## Living the Dream with our Soccer Academy

One of the best things we do in our soccer academy for our players and families is our annual summer tour. With my professional connections throughout the USA and NCAA and professional academies as we have a highly regarded reputation for our travels and matches over the past many years.

For our players and families who come with us, will visit Universities, meet Coaches and get tours of universities and their athletic facilities. This year three Universities we will visit

and play will have players on their team that were scouted while on tour, we will see them when we visit.

The Cost is all inclusive, \$2950 Canadian Funds, this includes Coach Bus, all Hotel Costs and all food and beverage, as well as costs incurred looking after players, Gatorade, water and healthy snacks. We will video all our matches and send out to colleges and send out via sports recruits and will provide each player with video link. I highly recommend at least one parent come on tour, parents are welcome on the coach bus or can go on their own and are welcome to be part of what we do, where we stay and where we eat and our tours we make. We do get good rates on the hotels we stay at and will pass on for the parents.

As you know Hotel Costs, Bus Costs, gasoline costs, and food costs have risen, we have managed to keep our cost the same and most reasonable.

## Monday August 18

Our First visit and match will be St. Lawrence University in Canton, New York

We will have a pre-game meal in a private room at the University as well we will have a tour of the University and athletic facilities. Our match is at 4:30pm on their stadium After the match we will stay overnight at the Hampton Inn, Watertown New York

St. Lawrence University is located in Canton, New York, just 20 minutes from the Canadian border. A most beautiful campus with fantastic athletic facilities. We have a great relationship with Head Coach Mike Toshack who is a Canadian who is an educator and was a Professional Coach with our National Team and Coached Goalkeepers in the MLS with Vancouver, Houston and Toronto FC and Portland FC.

Mike is an excellent coach and even better person. The Liberty League Conference is one of the most competitive in the country. The state-of-the-art athletic facilities can compete with any of the top University programs in the NCAA. The University has a beautiful stadium that we will play on and will be fantastic for our young Team.

It will be great for our boys to visit this University and play them on their great facility. He was midfielder/forward for the Cardinals and was a four-year All–West Virginia Intercollegiate Athletic Conference (WVIAC) pick. He also earned WVIAC Player of the Year honors as a senior in 1995. He was a four-year all-region team honoree during his playing days and capped off his career as a starter in the Umbro Senior Bowl, an all-star game featuring the nation's top Division II and III players. Findlay graduated from Wheeling with a Bachelor of Arts degree in criminal justice in 1996.
